

YA-13-005 TR - PE Surface Protection Tape

Description	This single sided tape consists of a transparent Polyethylene carrier and an acrylic adhesive.
Product properties	It has good resistance to moisture, and moderate resistance to oil and solvents. Good adhesion, even on rough and uneven substrates.
Applications	It is used as a protection tape for sensitive surfaces, like textiles, carpets and other rough surfaces during processing, storage and mounting in building and automotive applications.
Storage and ageing	6 month shelf life whilst stored in original packaging and ambient room temperature. Keep out of direct sunlight.
Applying tips	All substrates should be clean and contamination free, a solvent such as Isopropyl-Alcohol is recommended for cleaning purposes, and the tape should be applied with pressure.

TECHNICAL DATA

Carrier	Polyethylene	
Adhesive	Acrylic	
Colour	Transparent	
Liner	None	
Ageing resistant	Yes	
Thickness Total	0,06 mm	
Adhesion on stainless steel	9,5 N/25mm	AFERA 4001
Tensile strength length	21 N/25mm	AFERA 4004
Tensile strength width	13,5 N/25mm	AFERA 4004
Elongation length	180 %	AFERA 4005
Elongation width	380 %	AFERA 4006
Application temperature	10 °C	

Disclaimer: Values shown above are averages. See our delivery conditions which apply. Each user should make his own test to determine the product suitability for his intended use and shall assume all risks and liability in connection therewith. Stokvis Tapes' is not liable for any damages resulting of non suitability of the product. Many factors beyond Stokvis Tapes' control can affect the use and performance of the product in a particular application, including the conditions under which the product is used and the time and environmental conditions in which the product is expected to perform. Since these factors are uniquely within the user's knowledge and control, it is essential that the user evaluates the Stokvis Tapes' product to determine whether it is fit for a particular purpose and suitable for the user's method of application.
